"Chic" is the correct word for this smartly
styled, dainty floral design. Its gloriously bright
colors make your rooms take on added zest and
life, and is particularly suitable for the small
rooms where the effect of spaciousness is essen-
tial.

Whatever your present style of furniture and
your color scheme, this paper is sure to harmonize.
And to think that \$1.64 repapers the sidewalls of
the average room, including border, seems almost
unbelievable.
